THE MOUNTAIN

THE FAMILY OF JESUS

- Those who doubted him:
v.21; v.22; v.32
- Jesus' statement: v.34-35
- in this family the Big Brother is _____ (Romans 8:17)
- so what?
- Another family image: Ephesians 5:21-33
Jesus does what for her?

THE FAMILY OF JESUS AND ME

- What sort of doubts and accusations do you hear about Church today?
- How do you tend to respond to it?
- Is there truth in what is said?
- How does Church today compare, in purity, to the early church?
- What is the context of Jesus' statement:
"Peace I leave with you. My peace I give unto you." John 14:27
And WHY is the context significant?

**If you believe that Jesus gives you peace and a second chance,
then you also need to believe that he gives peace and a second chance to others**

REFLECT: Do I tend to think more about bad junk in the church, or the good it does? Why? How does that shape my attitude?
